\$5,000 BOUNTY | 1 in 52 opportunity

Pay \$5 upon entry (or anytime up until late registration provided you have equal to or less than starting stack) to be eligible to win the jacked up \$5,000 bounty!

The way it works: when you win, you will select a card of your choice (e.g. ace of clubs, nine of diamonds etc.). The Tournament Director will then shuffle the cards, and randomly pull out a card. If this card matches the one you choose, you WIN the \$5,000 bounty!
